List Colleges and Institutes of Higher Learning where you applied and were accepted:

Name of School

No. of Years

Field of Study

Which school have you decided to attend ? _____

Please include an official High School transcript and a letter of recommendation from your college guidance counselor, a teacher, or an employer.

The scholarship is paid in two installments, the first half in August and the second half in February. If, for any reason, a student does not start classes, the scholarship must be refunded. If a student does not return for the spring semester, the second half of the scholarship must be refunded. You must notify us if there is any change in your school status.

Let us know if you want to continue to be considered for this scholarship in the future as you continue your studies. First year students get first consideration but there may be scholarship money available for continuing students.
