

Washington's Old Home Day Committee
PO Box 62
Washington NH 03280

June 8, 2008

Dear _____,

During the 2008 Town Meeting, the idea of an Old Home Days committee was brought up. The Selectmen agreed that a committee should be formed. The committee has been created and now we are looking for members. It is our goal to have a representative member from each of the towns departments, organizations, groups and clubs.

A start up meeting took place to begin the organization of the events, a date was set and a theme was chosen.

Dates: July 31, 2009 – August 2, 2009
Theme: "Remember When"

In order to plan a successful weekend, we need volunteer members. Please choose a representative to attend the meetings and to work with the committee. We are looking for someone who will contribute to the meetings and to act as a spokesperson for their group. Much planning is involved in a three-day town wide event, and it will take the support of each of the groups to make it successful.

OHD Committee meeting: June 18, 2008
7pm at the Town Hall

If you do not have a representative from your group attend this meeting, the committee will assume that it means your group does not want to be involved in the OHD events.

Attending this meeting does not commit your group to plan an event for that weekend. It is to get the information out to the groups, give them a chance to discuss what they would like to do (if anything) and then to attend the next OHD meeting to bring their information to share. The first meeting is an information and idea-gathering meeting.

We hope to see you there!

Sincerely,

Vivian Clark and Jane Thayer
Co-Chairs, OHD Committee
