

Washington Planning Board

Working Meeting – December 14, 2023

- 0.0 Assembly: 3:00 PM
- 0.1 Members present: Crandall (on Zoom), Douglas, Revane, Florence and Schwartz at Town Hall
- 0.3 Visitors: None

Crandall opened the working meeting at 3PM. He appointed Florence to sit in for Martin, who was absent. Schwartz said a quorum of members is present in person.

- 1.0 Crandall stated that we are here today to accept the changes we agreed to at our meeting on December 5th, held after the Public Hearing and discussion of the LUO section 307, updated Driveway Regulations and Driveway permit. Crandall said the changes were minor and “typo” in character and won’t require a second hearing. Crandall asked for a motion. Florence made a motion to accept the proposed changes to LUO section 307 – Driveways and bring the proposed change to a ballot vote at Town Meeting. Douglas seconded the motion and all voted in favor. Crandall made a motion to approve the proposed Driveway Regulations and Application, subject to the approval of the proposed Section 307 at Town Meeting. Florence seconded the motion and all voted in favor. Crandall asked Schwartz to write up the ballot and an explanatory sheet for Town Meeting. Schwartz said she will do so and the explanatory sheet will have the existing language and what is proposed. Florence said he will be happy to present at the Budget Hearing and at Town Meeting so voters understand what they are voting on.

- 2.0 **Adjournment:** Time: 3:08 PM

Respectfully Submitted, Nan Schwartz
