

WASHINGTON PLANNING BOARD
Town Center Vision Subcommittee – Working Meeting Minutes
March 4, 2020

Members Present: Lolly Gilbert, Ron Jager, Kevin Provencher and Nan Schwartz

Public attending: Noah Chidester

Gilbert opened the meeting at 9:20AM.

1. Parking/Access issues – Chidester brought copies of his updated sketch plan for the area around the Town buildings. We discussed the 6-foot wide walkway/stairway and Jager felt it should be flared at the base and top ends. Noah will alter the sketch. We decided to indicate a picnic table behind the School House. Chidester will indicate the retaining wall and some lighting for the parking area and walkway. Andrew Hatch will speak at Town Meeting and draw people's attention to the sketch and ask for comments. He will also let people know we will hold a public planning session sometime next summer to get ideas and opinions from the community. We will put out a box at Town Meeting with slips for comments.

2. Town Pound – No discussion.

3. Walking Tour – Schwartz she and Gilbert are working with Gwen Gaskell and others on the historic walking tour. They are working on a booklet to give the history of the buildings and sites on the tour.

4. Grant from USDA – Schwartz said she is working on the grant but isn't sure it can be done in time for the grant deadline. Gilbert offered her help.

5. Other Issues – None at this time.
